The background features two stylized palm trees on either side of the text, and a large, dark, curved shape at the bottom that resembles a beach umbrella or a wide smile. The entire design is rendered in a light gray color against a white background.

# KEEGAN'S BEACHSIDE

We like to use only the best, fresh ingredients, so occasionally things may be unavailable both to us and to you. Sorry!

Our food is home-made and cooked to order by our small kitchen team, so please bear with us at busy times. Enjoy the view, order another drink and know that any wait will be worth it.

Because we make your food to order, we can often adapt our menu specifically to you, so if you'd like something done a certain way, please ask and we'll try our best to make you happy. We want you to be happy!

Did you know we also have hotel rooms, apartments and cottages here right by the beach? They're all en-suite, all have air conditioning and all have cable TV. Ask at reception about availability or if you'd like to view any of the rooms.
